INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Wesley House Student Residence, Inc.

Opinion

We have audited the accompanying financial statements of Wesley House Student Residence, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Wesley House Student Residence, Inc. as of December 31, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wesley House Student Residence, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wesley House Student Residence, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wesley House Student Residence, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wesley House Student Residence, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

The Accompanying Notes Are an Integral Part of the Financial Statements

WESLEY HOUSE STUDENT RESIDENCE, INC.
Notes to Financial Statements
For the Year Ended December 31, 2023

Note 1. Organization and Nature of Activities

Wesley House Student Residence, Inc. (WHSR) is a public, non-profit organization that represents the culmination of over 80 years of San Diego State University service and outreach.

WHSR is responsible for Wesley House, formerly known as Aztec apartments, a two story building adjacent to the San Diego State University campus. WHSR's mission is to provide affordable housing and support services to students attending San Diego colleges and universities.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America. Under the accrual basis, revenues are recorded when earned and expenses are recorded when incurred, resulting in related receivables and payables.

Cash

Cash and highly liquid financial instruments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, are considered to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to building projects, endowments that are perpetual in nature, or other long-term purposes are excluded from this definition. There were no cash equivalents for the year ended December 31, 2023.

Promises to Give

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the statements of activities. Management determines the allowance for uncollectable promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give are written off when deemed uncollectable. As of December 31, 2023, there was no allowance or discount as the amounts were fully collected in early 2024.

WESLEY HOUSE STUDENT RESIDENCE, INC.
Notes to Financial Statements
For the Year Ended December 31, 2023

Note 2. Summary of Significant Accounting Policies, (continued)

Property and Equipment

Property and equipment additions over \$5,000 are recorded at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 5 to 15 years for furniture and equipment and 39 years for buildings and improvements, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

Management reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the year ended December 31, 2023.

Investments

Investment purchases are recorded at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statements of financial position. Net investment return/(loss) is reported in the statements of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

WESLEY HOUSE STUDENT RESIDENCE, INC.
Notes to Financial Statements
For the Year Ended December 31, 2023

Note 2. Summary of Significant Accounting Policies, (continued)

Net Assets, (continued)

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. We report contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Revenue and Revenue Recognition

Rent, laundry and parking revenue are recognized from the rental of its facility during the period in which the related performance obligations are met. The performance obligation of providing access to the facility is simultaneously received and consumed by the customer. Contracts with customers for rental of its facility are combined into a single portfolio of similar contracts.

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

Grant revenue is recognized in full when an unconditional grant is awarded. Conditional grants are not recognized until the conditions on which they depend have been substantially met.

Donated Services and In-Kind Contributions

Volunteers contribute significant amounts of time to the Organization's program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. The Organization records donated professional services at the respective fair values of the services received. For the year ended December 31, 2023, there were \$1,125 of in-kind contributions.

Advertising Costs

Advertising costs are expensed as incurred.

WESLEY HOUSE STUDENT RESIDENCE, INC.
Notes to Financial Statements
For the Year Ended December 31, 2023

Note 2. Summary of Significant Accounting Policies, (continued)

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income Taxes

WHSR is organized as a California nonprofit corporation and has been recognized by the IRS as exempt from federal income taxes under IRC Section 501(c)(3). WHSR is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS and California Franchise Tax Board (Forms 199 and RRF-1). The Organization is not subject to unrelated business income tax.

Management has reviewed its position for all open tax years and believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates under different assumptions or conditions, and those differences could be material.

Financial Instruments and Credit Risk

Deposit concentration risk is managed by placing cash with financial institutions believed to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, the Organization has not experienced losses in any of these accounts. Credit risk associated with accounts receivable and promises to give is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from Board members, governmental agencies, and foundations supportive of the Organization's mission. Investments are made by diversified investment managers whose performance is monitored by management and the Board of Directors. Although the fair values of investments are subject to fluctuation on a year-to-year basis, Management and the Board of Directors believe that the investment policies and guidelines are prudent for the long-term welfare of the Organization.

WESLEY HOUSE STUDENT RESIDENCE, INC.
Notes to Financial Statements
For the Year Ended December 31, 2023

Note 3. Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

Cash and cash equivalents	\$ 68,759
Promises to Give	15,000
Investments	202,663
Less: With donor restrictions	<u>(30,000)</u>
	<u>\$ 256,422</u>

As part of the liquidity management plan, the Organization invest cash in excess of daily requirements in investments.

Note 4. Promises to Give

During the year, the Organization received a promise to give for \$15,000 which was received in full in 2024.

Note 5. Fair Value Measurements and Disclosures

The Organization report certain assets at fair value in the financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available. A three-tier hierarchy categorizes the inputs as follows:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.

WESLEY HOUSE STUDENT RESIDENCE, INC.
Notes to Financial Statements
For the Year Ended December 31, 2023

Note 5. Fair Value Measurements and Disclosures, (continued)

Level 3 – Unobservable inputs for the asset or liability. In these situations, the Organization develop inputs using the best information available in the circumstances.

In some cases, the inputs used to measure the fair value of an asset might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to entire measurement requires judgment, taking into account factors specific to the asset or liability. The categorization of an asset within the hierarchy is based upon the pricing transparency of the asset and does not necessarily correspond to the Organization’s assessment of the quality, risk, or liquidity profile of the asset or liability.

The following table represents assets measured at fair value on a recurring basis, at December 31, 2023:

Fair Value Measurements at December 31, 2023 Using

	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Equities	\$ 71,192	\$ 71,192	\$ -	\$ -
Held by Community Foundations	<u>\$ 131,471</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 131,471</u>
Totals	<u>\$ 202,663</u>	<u>\$ 71,192</u>	<u>\$ -</u>	<u>\$ 131,471</u>

WESLEY HOUSE STUDENT RESIDENCE, INC.
Notes to Financial Statements
For the Year Ended December 31, 2023

Note 5. Fair Value Measurements and Disclosures, (continued)

The following is a reconciliation of the beginning and ending balance of assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3) for the year ended December 31, 2023:

	Assets Held by Community Foundations
Fair Value Measurements at December 31, 2023 Using Significant Unobservable Inputs (Level 3)	
Balance at December 31, 2022	\$ 137,153
Purchases /contributions of investments	-
Investment return, net	9,318
Distributions	<u>(15,000)</u>
Balance at December 31, 2023	<u>\$ 131,471</u>

Note 6. Note Payable

In March 2014, WHSR received a \$1,220,000 loan to make improvements to the housing building. The loan has an interest rate of 4.375%. The loan is due in full when the loan matures on April 1, 2024. See Note 10 for loan amendment. Maturity schedule below is based upon amounts that will be paid under the amended loan.

Note payable consist of the following at December 31, 2023:

Principle amount	\$ 985,280
Less unamortized debt issuance costs	<u>(578)</u>
	<u>\$ 984,702</u>

Future maturities of the note payable are as follows:

Years Ending December 31,	
2024	\$ 11,000
2025	11,292
2026	12,063
2027	12,887
2028	13,767
Thereafter	<u>924,271</u>
Totals	<u>\$ 985,280</u>

WESLEY HOUSE STUDENT RESIDENCE, INC.
Notes to Financial Statements
For the Year Ended December 31, 2023

Note 7. Net Assets with Donor Restrictions

There were net assets with donor restrictions totaling \$30,000 for programs as of December 31, 2023.

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or by occurrence of the passage of time or other events specified by the donors as follows for the years ended December 31, 2023:

Satisfaction of purpose restrictions	<u>\$ 18,121</u>
--------------------------------------	------------------

Note 8. Functionalized Expenses

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and benefits, payroll taxes, and payroll processing, which are allocated on the basis of estimates of time and effort.

Note 9. Litigation

From time to time, the Organization incurs litigation matters. To date, management believes that its insurance policy is sufficient to cover any matters.

Note 10. Date of Management Review

Management has evaluated subsequent events through August 30, 2024, the date the financial statements were available to be issued. Management is aware of the following subsequent event.

In 2024, the note payable in Note 6 was amended. The new loan maturity date is May 1, 2034 with monthly payments of \$6,339, a balloon payment on the final payment, and an interest rate of 6.625% per annum.
